

UDOT to Issue RFQ for \$1.725 Billion I-15 CORE Project; Webinar for Prospective Design-Build Teams April 16

SALT LAKE CITY (March 18, 2009) – The Utah Department of Transportation (UDOT) will offer a free informational Webinar to detail its Utah County I-15 Corridor Expansion (I-15 CORE) design-build project in advance of the release of the Request for Qualifications (RFQ). UDOT will broadcast the live Webinar from Sandy, Utah on **April 16 from 11 a.m. to 1 p.m. (MST)** and post the RFQ on its Web site later that day.

The Webinar will offer information about the \$1.725 billion project including goals, scope, construction budget and the procurement process. The interactive meeting will also provide an opportunity for potential bidders to ask questions. Guests are welcome to attend the Webinar broadcast online or in person at the Salt Lake Community College Miller Auditorium, 9750 South 300 West, Sandy, Utah.

To access the live Webinar online, visit <http://connect.udot.utah.gov/i15coreoutreach/>. For information on Webinar logistics, call (888) I15-CORE or e-mail i15core@utah.gov. For more information on the I-15 CORE project or to order a DVD of preliminary design information, please visit www.i15CORE.utah.gov.
